2018 Grants Guide

for STEM, EdTech, and Professional Development

Looking for Grants?

The newly updated 2018 Grants Guide contains more than 55 links to organizations and businesses that offer a variety of cash or in-kind donations to help fund STEM programs for K-8 students, new

technology for classrooms, and even professional development opportunities for educators.

Get your [free copy](#) of the 2018 Grants Guide to see detailed grant listings, tips for how to apply, and the very latest details on ESSA funding.

Khan Academy's "Brain Training"- March 19th-April 13th

Get started in your classroom today!

This spring, Khan Academy is launching Brain Training, a free, 4-week program designed to motivate your students to practice the skills they need to ace end-of-year tests and realize their full potential through the remainder of the school year. From March 19th until April 13th, your class will work together to achieve your Brain Training class goal. The more assignments your class completes, the more progress you'll have to celebrate on your Brain Training class tracker!
