

Admin Advantage Updates

Happy New Year!

In this issue you will find the MAP assessment application link, an NWEA contest for schools, information on SEDNET's training resources for behavior management, and several professional articles.

Administrators in the **Success Partners Network** stay informed of the latest information, events, and support using this monthly **Admin Advantage Updates** email. Our **Success Stories** newsletter is delivered within a week to both leadership and staff members whose emails have been made available.

Attentive: My #OneWord for 2018

written by Star Sackstein for Education Week

Choosing **#oneword** that will shape an entire year of learning is always a bit daunting, but I enjoy the simplicity of whittling it down to a single intention by which to **assess success**, especially when the word seems to magically draw into focus.

Leaders of 2017 Recognizing Excellence in School District Leadership

written by several authors for Education Week

Every year, Education Week identifies some of the nation's most exceptional school district leaders and shines a spotlight on their extraordinary impact on the success of educators and students in its Leaders To Learn From special report. We are proud to reveal our 2017 honorees. These leading-edge district leaders seized on smart ideas, executed them skillfully, and are seeing promising results for students and school communities.
